INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 42374

You are hereby notified that the Indiana Utility Regulatory Commission has, on this date, caused the following entry to be made:

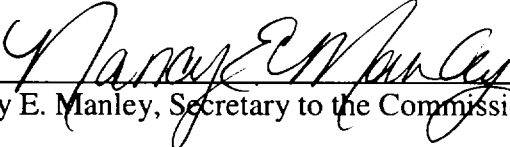

On February 6, 2003, Washington Township Water Corporation of Monroe County filed the above-captioned Verified Request. In addition to requesting a Commission review of a decision by the Indiana Utility Regulatory Commission Consumer Affairs Division, the Petitioner requested that the Commission stay the decision of the Consumer Affairs Division pending Commission review.

The presiding officer, having reviewed Petitioner's Verified Request and Request for Stay, and being sufficiently advised, finds that the Request for Stay should be granted, and, therefore, the decision of the Consumer Affairs Division in the above-captioned matter is stayed for a period of thirty (30) days. The parties are directed to attempt to resolve the matter informally, and, to report to the presiding Administrative Law Judge the results of those efforts. In the event the matter cannot be informally resolved, the matter will be set for a prehearing conference after the expiration of the thirty day stay.

IT IS SO ORDERED.

Thomas Cobb, Administrative Law Judge
